

Martin Stephens

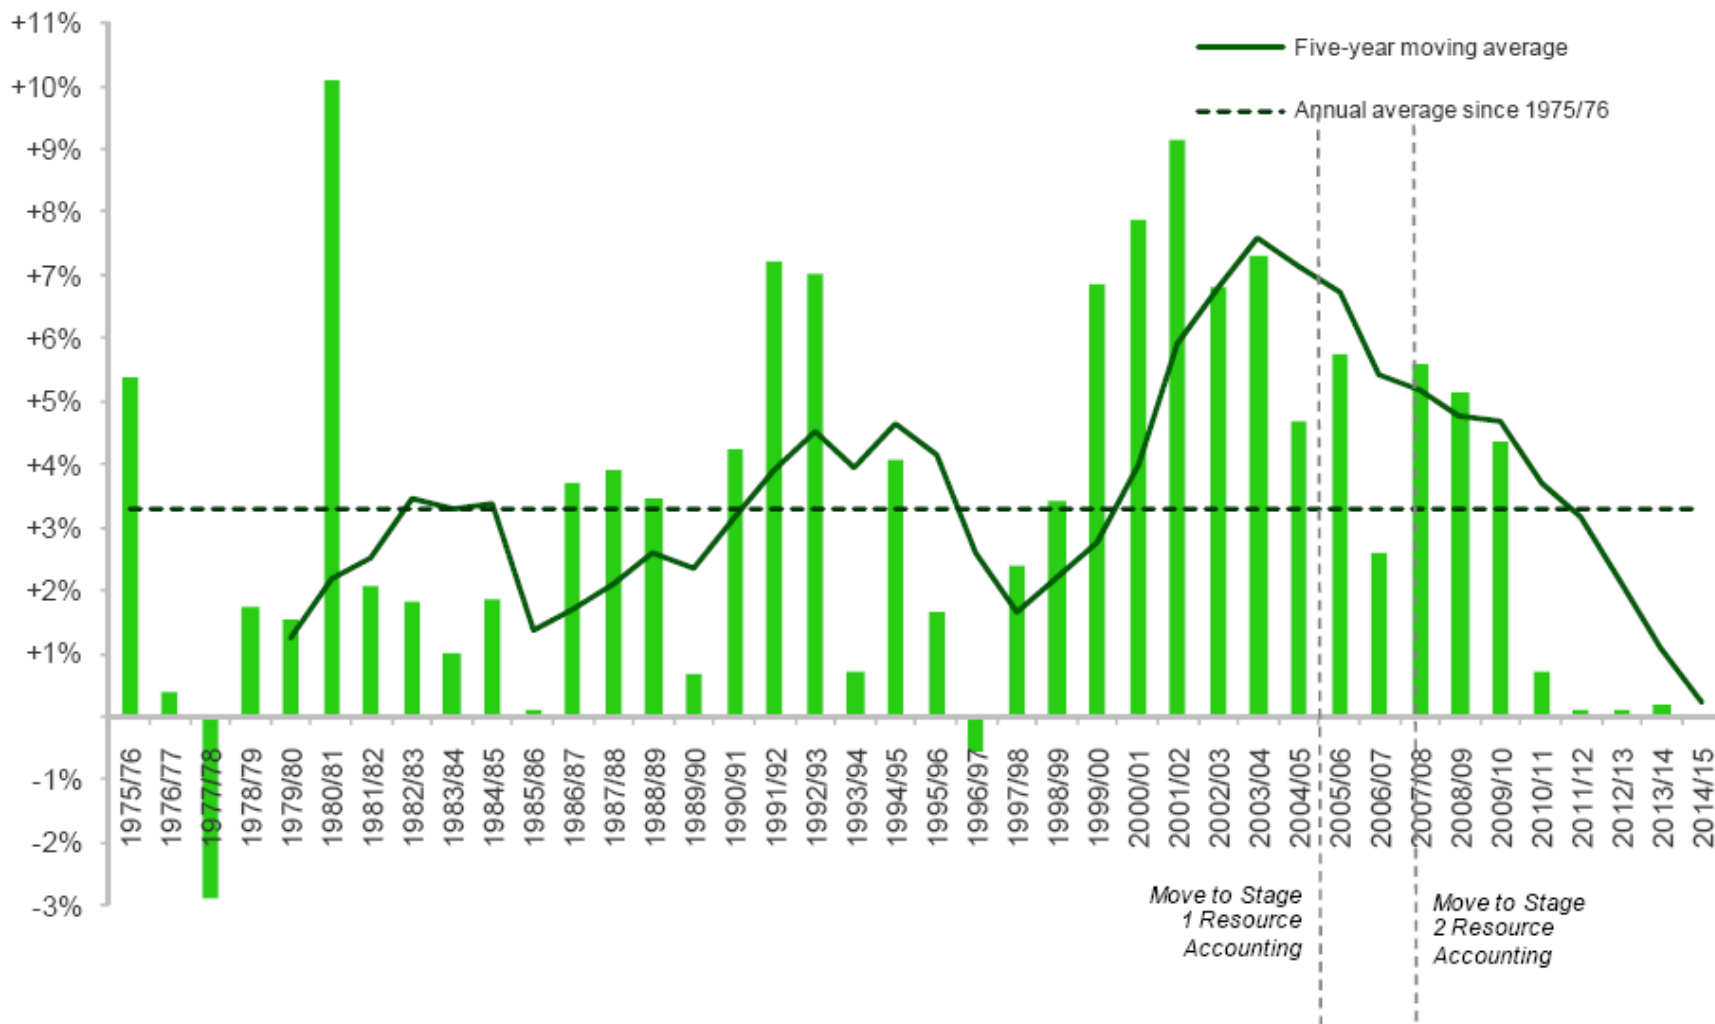

Wessex LPN Chair – Pharmacy
Visiting Professor, University of Portsmouth.

The growing demand (pre 'austerity')

The financial gap (old figures)

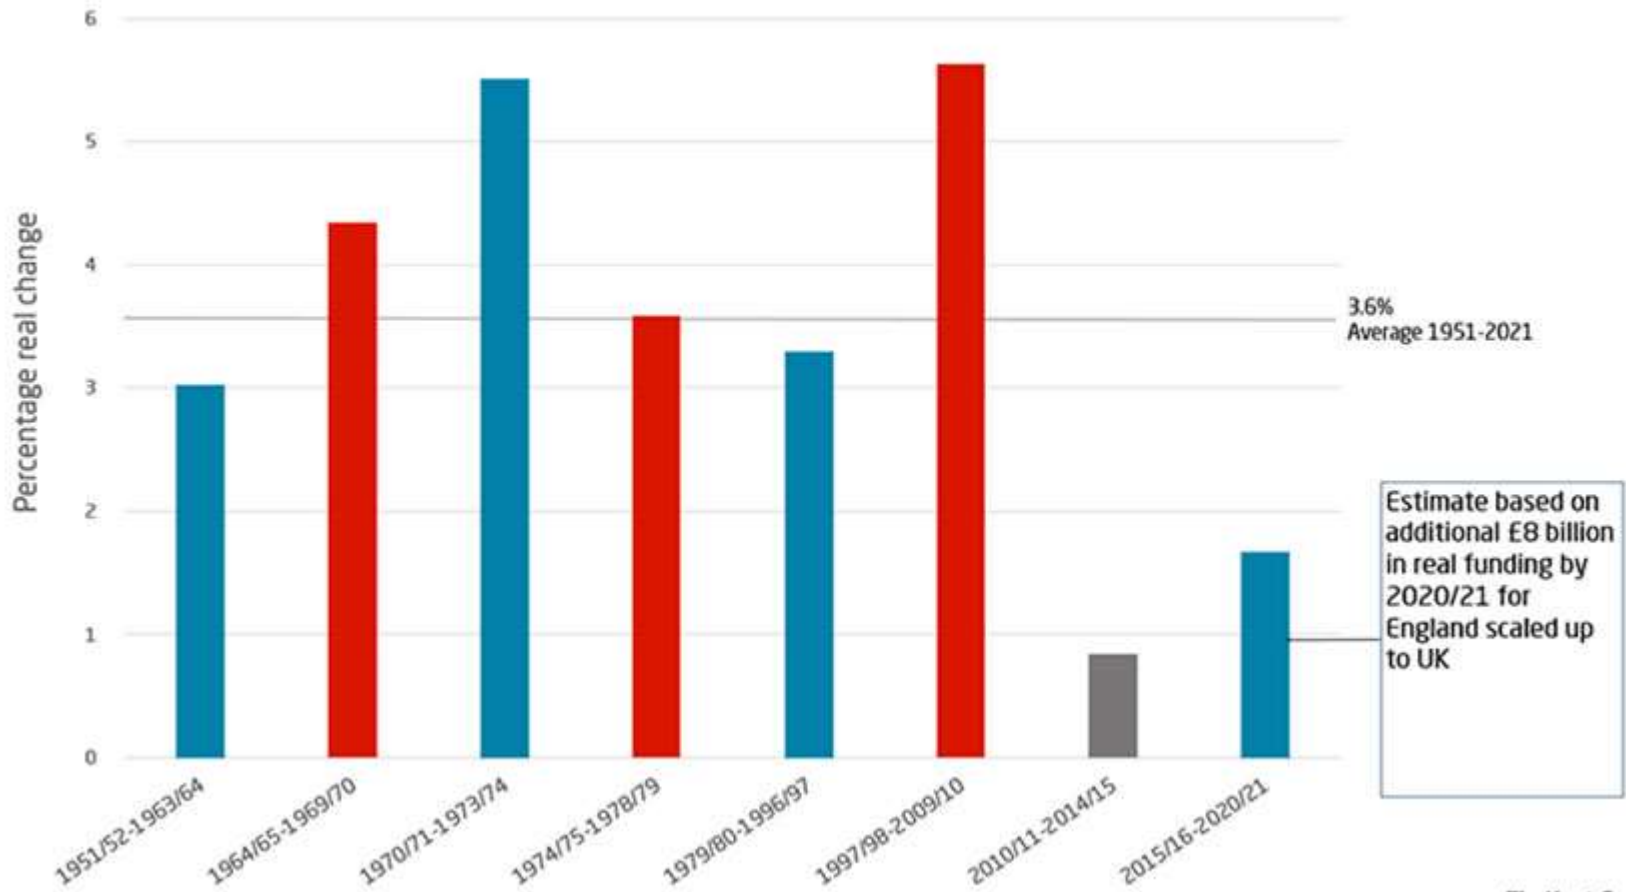

Annual percentage change in real terms NHS expenditure and planned expenditure in England:

1974/75 to 2014/15

Figure 1: Real annual average changes in UK NHS spending by governing party, 1951-2020

◆ Health & wellbeing gap

◆ Quality & care gap

◆ Financial gap

Closing the gaps -

Pharmacy

Optimising use of medicines
